

# 1-channel handheld transmitter

Centronic EasyControl EC541A-II

1-channel handheld transmitter to control radio controlled drives and radio receiver

White, Item No. 4034 000 920 0

Black, Item No. 4034 000 920 1

## Highlights

- Individual and central control
- Smudge-proof inlay to note channel assignment
- Interference-immune radio frequency
- Large operating range

## Key Features

### Individual and central control

Can be used to control one individual receivers or used as a central control for all receivers

### Smudge-proof inlay to note channel assignment

Inlay card beneath transparent cover provides space to assign individual channels  
Labelling templates can be downloaded from the Internet

### Wall holder

Wall holder to house transmitter when not in use

### Alternating code in transmission protocol

Protection from unauthorised copying of transmission data  
High system security offers protection from unauthorised use

### State-of-the-art radio technology with interference-immune radio frequency

Large operating range  
Interference-immune operation in living areas

## Technical data

Nominal voltage	3 V DC
Battery type	CR2430
Protection class	IP 20
Permissible ambient temperature	- 10 to +55 °C
Radio frequency	915,3 MHz
Colour	White / Black

## Functional principle – Example of electrical connection

## Operation
